

**A statewide coalition for community paramedicine
and innovative emergency medical services**

Mission Statement:

The Mission of the New York Mobile Integrated Healthcare Association (NYMIHA) is to improve the care provided to the people of New York by empowering New York's EMS providers to play a larger, more integrated role within our healthcare system. We do this by fostering collaboration among advocates and practitioners of community paramedicine and mobile integrated healthcare in the State of New York and by advancing new models of out-of-hospital care, including elements to (1) make EMS more adaptive to changes in the healthcare system, (2) align EMS with the continuum of healthcare providers and resources, and (3) integrate EMS into the public health infrastructure.
